

THE GOLDEN FIRE™

Instructions on How to Play the Seal Card Game

5 instant win numbers ending in gold 13 (013-413) also hold for seal card play, and 18 numbers ending in red 13 (013 through 1713) hold for seal card play. Players holding a "GOLD HOLD" 13 ticket sign their name on the corresponding sign-up line on the seal card. Players holding a "RED HOLD" 13 ticket sign their name on the corresponding sign-up line on the seal card. This ensures that if the game is not completely sold out in one day, the players will receive their winnings.

Once the game is completely sold out, the operator will announce the name of the game "THE GOLDEN FIRE" and serial number, and that the game is now in play. The operator will open the "\$280" seal window to reveal the word "GOLD" and a number ending in 13. The player holding the ticket with the number ending in gold 13 matching the number revealed under the seal is awarded the \$280 prize. The operator will then open the "\$100" seal window to reveal the word "RED" (three times) and three unique numbers ending in 13. The players holding tickets with the numbers ending in red 13 matching the numbers revealed under the seal are each awarded the \$100 prize and the game is over.
